OPTIONAL TOURS

TOUR #1 & TOUR #2 RUN AT THE SAME TIME, PLEASE SELECT ONE CHOICE

TOUR # 1 –BOEING FACTORY TOUR

Friday September 11th

0800-1600

Price \$87

We are currently working on a VIP tour, if finalized, there will be a limited number of people allowed on this VIP tour and offered on a first-come, first-served basis. Be sure to submit your registration early to secure a spot. All other people registering for this tour will be on the regular factory tour. Step inside the world's largest building by volume and witness the incredible process of airplane manufacturing on the Boeing Everett Factory Tour. Located in Everett, Washington, this guided experience offers a behind-the-scenes look at how Boeing's wide-body airplanes—such as the 747, 767, 777, and 787 Dreamliner—are built from start to finish. During the tour, guests will explore the massive assembly lines, learn about Boeing's rich history and innovative technologies, and gain insight into the engineering and teamwork that go into creating some of the world's most advanced aircraft. Knowledgeable guides provide fascinating commentary as visitors view the factory floor from elevated observation decks. The experience also includes access to the Boeing Future of Flight exhibit, where interactive displays and hands-on activities highlight the science and innovation shaping the future of aviation. Tour offers an unforgettable look at the power of American aerospace innovation. Lunch will be on our own at the Future of Flight Café. or if time allows we will go to the Seattle Waterfront for lunch on your own.

TOUR # 2 –CHIHULY GARDEN GLASS MUSEUM

Friday September 11th

1000-1600

Price \$89

Step into a world where art, light, and nature collide at Chihuly Garden and Glass Museum, one of Seattle's most stunning cultural attractions. This immersive experience showcases the breathtaking work of world-renowned glass artist Dale Chihuly through a series of indoor galleries, a vibrant outdoor garden, and a dramatic Glasshouse. As you explore, you'll see towering glass sculptures, intricate installations, and bold colors that seem to glow from within. The outdoor garden blends Chihuly's radiant glass forms seamlessly with lush plants and flowers, creating a constantly changing display of art and nature. The tour culminates in the Glasshouse, where a massive suspended glass sculpture floats beneath a soaring glass-and-steel ceiling—an unforgettable highlight.

TOUR # 3 – MUSEUM OF FLIGHT

Saturday September 12th

0930-1530

Price \$65

Discover the fascinating world of aviation and space exploration on the Museum of Flight Tour, as one of the largest air and space museums in the world, the Museum of Flight offers an inspiring journey through more than a century of flight innovation. During the tour, you'll explore an incredible collection of historic aircraft, spacecraft, and interactive exhibits. Highlights include stepping aboard the original Air Force One, walking through the Concorde, and seeing the Space Shuttle Trainer used by NASA astronauts. The museum's galleries showcase everything from the early days of flight and World War I & II aircraft to modern jets and the future of space travel. The museum also showcases legendary military aircraft including the B-29 Superfortress and B-52 Superfortress. Knowledgeable guides bring history to life with stories of daring pilots, groundbreaking engineers, and milestone achievements that changed the way we travel and explore.
